Los Angeles, CA 90012

Dear Supervisors:

I strongly support keeping my community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

I hope the Boundary Review Committee will seriously consider this input, as any redistricting changes would have a huge impact on our community. Thank you for your consideration.

Sincerely,

Gabrielle Dawson

Dear Supervisors:

I strongly support map A-2. This map maintains South Bay communities that have like interests as part of the Fourth Supervisorial District of Los Angeles County. It also moves fewer people into new districts, maintaining continuity.

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

Dear Supervisors:

I strongly support keeping my community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

I hope the Boundary Review Committee will seriously consider this input, as any redistricting changes would have a huge impact on our community. Thank you for your consideration.

Sincerely,

Dear Supervisors:

I strongly support Plan A3 which keeps Rowland Heights as part of the Fourth Supervisorial District.

Splitting communities and moving 3.5 million people into districts represented by supervisors that residents had no part in electing in an attempt to guarantee a specific election outcome is wrong. It amounts to blatant gerrymandering.

Our community is very racially diverse. About 60% of residents are of Asian descent, about 30% are of Latino descent and the remainder are Caucasian. We all work together for the good of the entire community and it is sad to see such bickering and selfishness of our leaders.

It is bad enough that we have dysfunctional government at the state and federal levels. Our County representatives have up until now been the one level of government that functioned reasonably well.

Please act like adults, keep race out of your deliberations, and make a decision that is fair to EVERYONE. Listen to the thousands of residents that have testified before you.

Thank you for your consideration.

Dear Supervisors:

I strongly support keeping my community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

I hope the Board of Supervisors will seriously consider this input, as any redistricting changes would have a huge impact on our community. Thank you for your consideration.

Sincerely,

Christina Wolfe

Dear Supervisors:

I strongly support keeping Westchester as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

My parents bought their home in Westchester after WWII. I grew up there, and remain concerned about decisions that affect Westchester. There is no doubt that Westchester's identity and interests have been and continue to be aligned with LAX and the coastal communities (Playa del Rey and the Marina del Rey) more than inland communities.

I hope the Board of Supervisors will seriously consider this input, as any redistricting changes would have a huge impact on our community. Thank you for your consideration.

Sincerely,

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

I hope the Board of Supervisors will seriously consider this input, as any redistricting changes would have a huge impact on our community. Thank you for your consideration.

Dear Supervisors:

I strongly support keeping Avalon as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

We do not want to see our city end up in a different district. Our community has worked hard to build a good working relationship with Don Knabe and the County. Don has been fair and objective with his dealings with the Catalina Island community. We do not want the service quality and support we have come to expect from the County to change.

The Fourth District boundaries, as currently drawn, should be maintained as much as possible.

Dear Supervisors:

I strongly DO NOT support keeping my community as part of the Fourth Supervisorial District of Los Angeles County.

I really do want to see our neighborhoods, communities and cities have fair and balanced representation in our districts. The Fourth District boundaries, as currently drawn, should not be maintained to keep the old, rather split communities according to their voting, according to the LAW.

I hope the Board of Supervisors will seriously consider this input, as any redistricting would have a huge impact on our community, with a better representation for the community members. Thank you for your consideration.

Sincerely,

Nils Nehrenheim

Dear Supervisors:

I strongly support keeping my community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

I hope the Board of Supervisors will seriously consider this input, as any redistricting changes would have a huge impact on our community. Thank you for your consideration.

We do not want to see our city end up in a different district. Our community has worked hard to build a good working relationship with Don Knabe and the County. Don has been fair and objective with his dealings with the Catalina Island community. We do not want the service quality and support we have come to expect from the County to change.

Los Angeles County Board of Supervisors
500 West Temple Street, Room 383
Los Angeles, CA 90012

Dear Supervisors:

I strongly support keeping my community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

I hope the Board of Supervisors will seriously consider this input, as any redistricting changes would have a huge impact on our community. Thank you for your consideration.

Sincerely,

Arnold Sullivan Jr

Los Angeles County Board of Supervisors
500 West Temple Street, Room 383
Los Angeles, CA 90012

Dear Supervisors:

I strongly support keeping my community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

I hope the Board of Supervisors will seriously consider this input, as any redistricting changes would have a huge impact on our community. Thank you for your consideration.

Sincerely,

Chris Linkletter

Dear Supervisors:

I strongly support keeping my community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

I hope the Board of Supervisors will seriously consider this input, as any redistricting changes would have a huge impact on our community. Thank you for your consideration.

We do not want to see our city end up in a different district. Our community has worked hard to build a good working relationship with Don Knabe and the County. Don has been fair and objective with his dealings with the Catalina Island community. We do not want the service quality and support we have come to expect from the County to change.

Dear Supervisors:

I strongly support keeping my community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

Wilmington is now more than 90% Latino and is currently represented by officials of a multitude of ethnicities who have been elected and reelected based on responsiveness to constituent needs.

Likewise, Wilmington has only one neighborhood council whose board represents the community's diversity, not just ethnicity, but its common interests and needs. The council's sole purpose is to unite the community toward improving the quality of life for all of its residents. Anyone can run for a seat on the board. In the ten years of its existence the Wilmington Neighborhood Council has never received a single complaint about the services provided by LA County Supervisor Don Knabe.

Carving out a portion of Wilmington or any other community based on race is like drawing a line in the sand. It will isolate minority ethnic neighborhoods and could potentially create racial issues where there are none.

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

I hope the Board of Supervisors will seriously consider this input, as any redistricting changes could have a huge impact on our community. Thank you for your consideration.
