Re: Support for Redistricting Plan A3

Dear Mayor and Board Members:

I support Redistricting Plan A3.

Los Angeles County is one of the most culturally diverse places in the world, and the Fourth District is one of the most diverse in the County.

Our strength lies in this diversity, but also in the neighborhoods and communities and cities, where these diverse people live and work together, sharing the same concerns and challenges.

Our neighborhoods, communities and cities need to stay in the same districts. Plan A3 maintains the same basic boundaries. Splitting communities could result in adverse changes to the service quality and timeliness we have come to expect from the County.

Plans S2 and T1 would needlessly change the district of millions of people, destroying the connections, relationships, and trust we have built over decades. Having to start over would benefit no one and harm many.

I most strongly urge you not to split up communities that have shared the same issues, services and representation for over 20 years.

Please vote for Plan A3.

Sincerely,
