Re: Supervisorial Redistricting; Proposal A-3

Dear Supervisor Antonovich:

The City Council of the City of Palos Verdes Estates, at their Regular Meeting of September 13, 2011, took a formal position to unanimously support the Supervisorial Redistricting Proposal known as A-3.

The City will be best represented by Proposal A-3, which keeps the Palos Verdes Peninsula and South Bay communities within the 4<sup>th</sup> Supervisorial District, represented by Supervisor Don Knabe, who has served this area well.

Very truly yours,

A handwritten signature in black ink, appearing to read "John Rea", is written over the closing text.
