Executive Officer:

The Los Angeles County Boundary Review Committee is in the process of reviewing the five supervisory district boundaries. As an active community member in Cerritos and currently serving as a member of the Board of Education for ABC Unified School District, I wish to express my strong support for the A – 3 Amended Plan for redistricting the Fourth Supervisorial District.

The Fourth Supervisorial District Supervisor and staff understand ABC's community interests and needs, and have been highly responsive to our school district. Maintaining this relationship is critical to our ability to continue to provide a world class education for the children of ABC. Supervisor Don Knabe has been a friend of the parents and children of ABC for many years. He has sponsored reading initiatives and field trips; provided educational materials and training; and has long supported ABC in our rise to become one of the top school districts in California.

Supervisor Knabe has established strong lines of communication, built lasting relationships, and provided essential resources to school districts throughout his district. ABC's superintendent has confirmed that Supervisor Knabe's communication network and positive impact extends to all school districts in the Fourth District.

Our school district is facing unprecedented fiscal challenges. It is vital that our children not suffer further turmoil because of the political instability created by those attempting to "gerrymander" the Fourth District.

Sincerely,

Mr. James Kang
ABC Unified School District
Board Member
