Curt Pedersen, Chair
Boundary Review Committee
500 West Temple Street, Room 383
Los Angeles, CA 90012

Dear Mr. Pedersen,

This is to request that the City of Artesia remain in the Fourth Supervisorial District. In 2001, the City of Artesia maintained a diverse population of 17,500. While our population has declined slightly over the last 10 years, Artesia remains a diverse city. Due to the population stability in Artesia and to the many regional concerns we share with our neighboring cities, I believe we should continue to be a part of the Fourth Supervisorial District.

I appreciate the amount of work that your committee must do to complete this very complex task, and I understand that you have held community meetings and have had individuals submit boundary maps for your consideration. I thank you for taking our city's input into consideration.

If I can be of any assistance or to you or to your committee as you review the county's boundaries, please let me know.

Respectfully,

Victor Manalo, Ph. D
Mayor
City of Artesia
