Subject: Redistricting of Rowland Heights

Dear Sir:

This is to advise you that we have lived in Rowland Heights for 40 years and are against placing Rowland Heights in Gloria Molina's district. The major portion of Rowland Heights is in Supervisor Don Knabe's District 4. His office is very familiar with the issues of our community and has been very active with our concerns about zoning and planning issues. It is also recommended that the cities of Hacienda Heights, Walnut and Diamond Bar be in District 4, Supervisor Knabe's district, since these communities have similar problems.

Please place our name on your contact list for all future correspondence related to these issues.

Sincerely,

Margaret & Lee Doyle
