Re: LA County Redistricting Plan S1

Dear Supervisors:

I support the proposed redistricting plan, S1, submitted by Marqueece Harris-Dawson, Jackie Dupont-Walker and Tunua Thrash. I strongly believe this map should be approved at the upcoming Board of Supervisors meeting.

It is my belief that communities with shared interests and services should also have shared representation. The current boundaries do not support this notion.

I do not support the status quo.

The above listed maps support socio-economic diversity by keeping working class communities together. They also provide boundaries that are in line with Section 2 of the Federal Voting Rights Act by keeping ethnic communities from being fragmented. They do not displace any supervisor from his/her district and the newer districts remain compact.

Please consider keeping neighborhoods, communities, and cities of common interest together. Please use the boundaries as currently drawn in the S1 proposal. Thank you for your time.

Sincerely,
AJ Duffy

Chair Pedersen of the
Los Angeles County Supervisorial District Boundary
Review Committee

Chair Pedersen:

I urge that the proposed boundaries (A-2) retain Marina del Rey in the Fourth Supervisorial District represented by Don Knabe. Any change in the boundaries will place an extreme hardship on us here at the Marina City Club in Marina del Rey. Supervisor Knabe is well acquainted with the many problems we have faced as a special kind of condominium complex on County land. Someone new, no matter how capable or how competent, would not have a grasp of the hundreds of details in all the interactions between us and Los Angeles County.

I would greatly appreciate your support in this matter.

Sincerely,

Robert H. Ginsberg

Comments:

I have seen Ms. Molina's initiative for county supervisorial redistricting. Let me give my comments.

This is one more move in a protracted strategy to transfer the private assets of one segment of the County's population (those who have generated and earned assets) to those of another segment (those who want to receive the assets via the conduit of government).

Enough.

As your constituent, I am asking you to do all you can to see that Ms. Molina abandons this transparent agenda, and this scandalous policy.

Thank you.

Best
