Subject: Keep Marina Del Rey in District 4

I am very concerned about the district being redrawn and the Marina City Club being moved out of the Fourth Supervisorial District represented by Supervisor Don Knabe.

The proposed boundaries (A-2) retain Marina Del Rey in the Fourth Supervisorial District represented by Don Knabe. Any change in the boundaries will place an extreme hardship on us here at the Marina City Club in Marina Del Rey.

To Whom It May Concern:

I am very concerned about the radical plans in place to change the boundaries of the current districts of the Board of Supervisors. I see no reason to switch residents from one district to another without their input in electing the officials.

Communities don't need to be torn apart as they are used to working together with their appropriate Supervisor to make needed improvements.

Please consider the impact on the masses before you proceed with any changes.

Thank you.

Subject: REdistriting

We believe that the current system of division of the county for purposes of representation should not be changed.

It would be in best interest of the community and communities to leave the districts as they are.

Sincerely,

Ruth Block
