Dear Executive Officer:

Association of Soviet Jewish Emigrés represents such Russian American community based organization as Association of Russian Veterans of WWII, American Russian Medical Association, and Association of Holocaust Survivors from FSU, West Hollywood Russian Community Center, and Association of Engineers and Scientists.

On behalf of these organizations we support the idea that drawing of Los Angeles County districts should keep "communities of interest" together. It is very important for our community that West Hollywood, Santa Monica and the San Fernando Valley remain within Third County District of Supervisor Zev Yaroslavsky.

With the utmost respect,

Eugene Levin
President
