Re: Supervisory District Boundaries

Dear Mr. Pedersen:

The existing boundary of Los Angeles County's Third Supervisorial District effectively avoids unnecessary splitting of municipalities. The incorporated cities of Malibu, Santa Monica, Beverly Hills and West Hollywood are entirely within the district. Numerous unincorporated areas of the county within the Santa Monica Mountains such as Topanga Canyon, Malibu Creek, Agoura, etc. are also fully located within the district as are many neighborhoods and communities with the City of Los Angeles, such as Pacific Palisades, Brentwood, Bel Air, Westwood, Sherman Oaks, Canoga Park, Encino, etc. The effect of this furthers the goal of encompassing communities of interest within a single district. Thus Malibu coast, the Santa Monica Mountains, the so-called Westside area of Los Angeles, and San Fernando Valley fall within the district. The Third Supervisorial District also consistent with the goal that districts be geographically compact and contiguous. The district as now drawn also does not disenfranchise any minority or ethnic communities. In summary, the Brentwood Community Council strongly urges the Committee to preserve the integrity of the existing boundary of the Third Supervisorial District.

Sincerely,

Nancy Freedman
