Dear Sir or Madam,

I am the President of the Board of Directors of The Hollywood Knolls Community Club. The HKCC is the residents' association covering nearly 800 homes in the Hollywood Knolls, Hollywood Manor and Lakeridge Estates. We have always all three of our neighborhoods within the same (currently Zev's) district. We ask that while you are considering how to adjust the various districts, that we continue to all be contained within the same district. We were recently split in the LAPD division realignment and it has made communication and coordination that much more difficult, dealing with two separate entities.

Thanks,

Daniel Savage
