Dear Executive Officer:

Our Association of Holocaust survivors from the Former Soviet Union is the largest Survivors' Organizations in America: we have 345 members paying monthly dues.

Our members live in West Hollywood and San Fernando Valley.

We are all elderly and in poor health. We depend on the help of governmental and social services – we can not exist without them.

For us it is life threatening if West Hollywood and San Fernando Valley do not remain within the same Supervisorial District.

We kindly request you to address the above stated concerns.

Sincerely,

Simon Shpitalnik  
President
