Please be advised:

We wholeheartedly support the idea that drawing of Districts should keep "communities of interest" together.

The community of immigrants from the former Soviet Union is one such community of interest. We live mostly in West Hollywood and the San Fernando Valley. Many of our elderly community members depend on assistance from the government and non-profit social service agencies to meet their health and welfare needs. In order to maintain this social safety net, and to preserve the cultural and linguistic ties that bind our community together, it's critical that the City of West Hollywood and the San Fernando Valley remain within the same Supervisorial District.

ASSOCIATED ORGANIZATIONS

Almanac/Panorama Media Group
Association Soviet Jewish Emigres
Bulat Okudzhava Foundation
Holocaust Survivors Ass. - former USSR
Media Analysis Foundation

We strongly believe that our concerns will be considered as we represent the opinion of about 400,000 people of Russian speaking community in the Los Angeles County.

Sincerely,

Ella Frumkin
