Re: LA County Supervisorial Third District Boundaries

Dear Mr. Pedersen:

I am writing to express my strong concern regarding the possible re-drawing of the boundaries for the Los Angeles County Supervisorial Third District. The Third District as presently constituted is one of the most cohesive and compact Districts in the County. It is topographically, geographically and culturally coherent. The integrity of the Third District's current boundaries benefits the residents of the greater Westside, including Beverly Hills, West Hollywood and Santa Monica, the Westside of the City of Los Angeles and the Hollywood/Fairfax neighborhoods. This area forms a cohesive community of interest that must remain intact. "The Westside" is known locally, regionally and even nationally as a community bound together by a common culture and economy. Therefore, I request that the Third District boundaries be kept intact.

Sincerely,

Philip G. Davis
