Dear Mr. Pederson,

My name is Lily Woo. I have been a Rowland Heights resident for over 30 years. I started my business in Walnut, and later moved it to Diamond Bar, and I am also a Walnut Valley Rotarian. Our Walnut Valley Rotary Club draws members from the neighboring communities of Rowland Heights, Diamond Bar, & Walnut. In addition in forming a strong base of membership for our club, these 3 communities also share 2 closely related school districts in which our club supports.

The communities of Rowland Heights, Diamond Bar, & Walnut have much in common with one another geographically in the eastern San Gabriel Valley & have been receiving police support and other services from the Los Angeles County.

In my opinion, it is important that all 3 communities be maintained in a single district with a supervisor who is actively engaged with the community, understand the communities's problems, and is able to provide solutions in a prompt manner.

In decades past, people in these 3 areas enjoyed a strong sense of brotherhood. To separate them from each other is just like breaking up the family.

Hence, in the BEST interest of the residents of Rowland Heights, Diamond Bar, & Walnut, these 3 communities should remain in one District (4), and no one should be separated from their long established "family." I hope you feel the same way.

Thank you for your attention!

Sincerely,

Lily Woo
