My name is Cristina Alonzo I live in the community of South Whittier for the last 10 years

I assist to Saint Maris church; my daughter is going to California High School my son graduated last year from the same School. I make my shopping in the store Food for less.

I need for the committee to keep our community together and to maintain one district.

When is being problems in our own community we had wrote letters, made community meetings and reunions with the represent ants of Supervisor Gloria Molina.

The majority our community are Hispanics, I'm asking to consider our language, also we need to know that there will be a protector looking for our community

Thank you

Sincerely Cristina Alonzo
