**Subject:** Files submitted by APALC for BOS Redistricting

Dear Los Angeles County Boundary Review Committee,

On behalf of the Asian Pacific American Legal Center (APALC), I am transmitting to the Los Angeles County Boundary Review Committee several files pertaining to redistricting.

The files are derived from a mapping proposal and supporting testimonies that the Coalition of Asian Pacific Americans for Fair Redistricting (CAPAFR) submitted to the California Citizens Redistricting Commission, with the support and assistance of APALC. APALC is providing these files to the Boundary Review Committee to provide information about communities of interest and neighborhoods in which substantial numbers of Asian Americans and Pacific Islanders reside.

The following documents are attached to this email:

- List of files being provided by APALC to the Boundary Review Committee
- Portions of a summary of community priorities that CAPAFR submitted as part of its Assembly mapping proposal; portions relevant to Asian American and Pacific Islander communities of interest and neighborhoods in Los Angeles County are included here and have modified for purposes of being given to the Boundary Review Committee
- Los Angeles County-specific communities of interest and neighborhood testimony provided by Asian American and Pacific Islander community members
- Shape files for five neighborhoods in City of Los Angeles and one neighborhood in City of Long Beach

If you have any questions about these files, please do not hesitate to contact me.

Best regards,  
Eugene Lee
