Mr. Curt Pedersen, Chair
Boundary Review Committee
500 West Temple Street, Room 383
Los Angeles, CA 90012

Dear Mr. Pederson,

Since its incorporation in 1989, the City of Diamond Bar has been a part of the County's Fourth Supervisorial District. Over these 22 years, we're fortunate to have developed a strong partnership with Fourth District Supervisors Deane Dana and Don Knabe, whose leadership has been a key component in making Diamond Bar one of the San Gabriel Valley's premier communities. From the City's top-notch public safety team made up of the County Sheriff's and Fire Departments to the recent collaboration on a brand new branch of the County Public Library, Diamond Bar and the Fourth District are clearly a successful team.

While we understand and appreciate the important task of the Boundary Review Committee as it examines existing and makes recommendations for new district lines, we ask that Diamond Bar remain within the boundaries of the Fourth District represented by Don Knabe. In these difficult economic times, it is imperative that we retain a consistent voice that understands and advocates for the people of Diamond Bar at the County level. This simply cannot be accomplished without the years of collaboration we have developed with our Fourth District representatives and their staffs. I strongly encourage you to consider this point in your recommendations.

We look forward to many more years of collaboration with our Fourth District representatives. Should you have any questions, please contact me at 909-839-7010.

Sincerely,

Steve Tye
