RE: Redistricting

The Sunset Park neighborhood in Santa Monica is bounded by Pico Blvd. on the north, Centinela Avenue on the east, the south city limits, and Lincoln Blvd. on the west. Friends of Sunset Park (FOSP) is the city-recognized neighborhood organization for that section of Santa Monica.

The Board of Directors of Friends of Sunset Park wants our neighborhood to remain intact in the 3rd Supervisorial District, as well as remaining part of the northwestern region of Los Angeles County. We do not want the boundaries of the 3rd District broken up.

Thank you for your consideration.
