Subject: Redistricting LA County 2011

There is a small unincorporated county area located just west of Centinela Ave. and just north of Jefferson Blvd. in Supervisor Mark Ridley-Thomas's district. This area rightfully should be part of Supervisor Don Knabe's coastal district because the Los Angeles County Sheriffs based in Marina del Rey also cover this little area, which is described as the "lost R.D." [lost reporting district, I believe].

Del Rey is a neighborhood within the City of Los Angeles, but we have this little carved-out piece of county land with approximately 114 single family residences and a planned 196 unit apartment complex that the supervisors approved for construction in January 2011.

I am writing this as a private citizen because our board has not yet voted on this, but I am president of the Del Rey Homeowners & Neighbors Association, a civic improvement organization that has been the local voice for this group of county residents since 1972.

Best regards,

Elizabeth A. Pollock
