

June 11-2011

I am a resident of Rowland Hts. California,  
and I am concerned about my community, and  
it is very important for us to remain in District 4  
so that we would be represented by the same efficient  
service that we have right now.

I would be very happy to remain in District 4  
and not to be divided into 2 districts; we  
are very happy with our current representatives  
and would not want to change it.

We are incorporated and it's important  
to remain the way we are. Our Supervisor  
is familiar with our issues and needs  
and we are making progress.

Please support a plan that allows Rowland  
Hts. California to stay as it is

Hoping somebody reads this  
letter and understands our needs
