Re: Supervisorial District Boundaries

Dear Mr. Pedersen:

The City of Norwalk would like to request that the Boundary Review Committee consider keeping the City of Norwalk within the existing Fourth Supervisorial District. We believe it is important to maintain continuity in the relationship that has already been established with our supervisorial district.

The City of Norwalk is a diverse and striving community located in southeast Los Angeles County. We work closely with our neighboring communities on significant economic, transportation, water, and air quality projects that address the distinctive needs of our region. We work closely with the cities of Santa Fe Springs, Downey, Bellflower, Signal Hill, Whittier, La Mirada, Cerritos, Lakewood, and Long Beach. Having similar supervisorial representation with our neighboring communities is extremely helpful in accomplishing our long terms goals.

We appreciate your consideration of our request to have the City of Norwalk remain within the Fourth Supervisorial District. If you have any questions or would like to discuss this further, please do not hesitate to contact me.

Sincerely,
