Dear Mr. Pedersen:

As a member of the Cerritos College Board of Trustees since 1995 I believe that it is vitally important that our college district remain entirely within the boundaries of the Fourth Supervisorial District.

I strongly support keeping my community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

I hope the Boundary Review Committee will seriously consider this input, as any redistricting changes would have a huge impact on our college, community groups and organizations, business owners and of course all of the residents.

Thank you for your consideration.

Best regards,

Robert "Bob" J. Arthur
