Dear Committee members:

I am a resident of Rowland Heights and am concerned about the redistricting of our community. It is important for us to remain in District 4 so we will have continuity of representation. It would also give the entire community more efficient service if we were all in District 4, and not divided into 2 districts, as it is now.

We have been very happy with the current representation and do not want to change districts. Right now there are many unfinished issues in Rowland Heights that are progressing and any changes would affect us in a negative way. We would really be in a mess if we had to change districts.

Right now we have good local access to our Supervisor's Deputy, Dickie Simmons who has an office convenient for community members. He is very familiar with our issues and needs, and we are finally making progress here. This is particularly important for unincorporated communities like ours, and making changes could undo all of the good being done.

I urge you to support that Rowland Heights be intact within the Fourth District and please not back a plan moving us to any other district.

Thank you,

Vivian Smith
