Subject: Redistricting for LA County
Date: Saturday, June 25, 2011 12:29:52 AM

Dear Commissioner Knabe,

I have run through the County Redistricting Website, and though there is a wealth of information, a map of the proposed new districts is somehow not available. Therefore, I am making a rather blind request, but I strongly wish to express my conviction that the placing of Cerritos in other than the Fourth District would be a great mistake. We have enjoyed both loyal representation from you, and there seems to be a balance of common interest with the other communities of this district.

Therefore, We request that all of Cerritos remain in the Fourth District.

Dr. William and JoAnne Ebling
