Dear Mr. Pedersen:

I strongly support keeping my community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

I hope the Boundary Review Committee will seriously consider this input, as any redistricting changes would have a huge impact on our community. Thank you for your consideration.

Sincerely,

I urge you to keep my community as part of the Fourth Supervisorial District of Los Angeles County during your challenging redistricting process.

I do not want to see our region's neighborhoods, communities and cities divided into separate districts. Dear Mr. Pedersen:

I strongly support keeping my community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

I hope the Boundary Review Committee will seriously consider this input, as any redistricting changes would have a huge impact on our community. Thank you for your consideration.

Sincerely,

Dear Mr. Pedersen:

I strongly support keeping my community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

We do not want to see the City of Long Beach divided into two separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Splitting Long Beach, the sixth largest city in California, makes absolutely no sense. Our quality of service from the County will be greatly effected. Please keep Long Beach in tact in the 4th Supervisory District.

I hope the Boundary Review Committee will seriously consider this input, as any redistricting changes would have a huge impact on our community. Thank you for your consideration.

I strongly support keeping my community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

I hope the Boundary Review Committee will seriously consider this input, as any redistricting changes would have a huge impact on our community. Thank you for your consideration.

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

I hope the Boundary Review Committee will seriously consider this input, as any redistricting changes would have a huge impact on our community. Thank you for your consideration.

Dear Mr. Pedersen:

My home is in Long Beach. My business is in Lakewood, and am a member of both Chambers of Commerce.

I strongly support keeping my community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

We do not want to see our neighborhoods, communities and cities divided into separate districts for racial and/or ethnic preferences.

It should remain by community as a whole instead of chopping and slicing a theoretical 'preferred constituency block' of people based on their race or ethnicity.

I hope the Boundary Review Committee will seriously consider this input, as any redistricting changes would have a huge impact on our community. Thank you for your consideration.
