Dear Board of Supervisors:

Altadena can easily be overlooked by her neighbors to the east (La Canada) and to the south (Pasadena). But we share an important history with Pasadena

Altadena is crucial as a northern boundary to the national forest and it shares its school district with Sierra Madre and Pasadena.

In any plan adopted by the Commission:

Altadena should not be split among supervisorial districts

Altadena and its closely related sister cities, Pasadena and Sierra Madre, which share a common school district, should remain in one district

Altadena, Pasadena and Sierra Madre should remain in Sup. Antonovich's district
