Subject: Boundary Review for 4th Supervisorial District

Mr. Curt Pedersen, Chair
Boundary Review Committee
500 West Temple St., Rm. 383
Los Angeles, CA 90012

Dear Sir:

Let me introduce myself. My name is Anita Rivera. I am a volunteer with the Los Angeles Sheriff's Department. I work at the Sheriff's Whittier Substation out of Norwalk in the unincorporated Whittier area. I am writing to let you and anyone else involved in the redistricting to let you know what a mistake it would be to change the districts boundaries from what they are now and not having Supervisor Knabe.

We are NOT ready to give up Supervisor Don Knabe to another district. He has done much to be supportive of the people and by providing the community with services in Unincorporated Whittier. He knows many in the area and they know him. It's like taking away the baby from its parent. We all work very well together with Mr. Knabe. There are politicians that appear to care but do not do anything to really prove they do. Mr. Knabe does. He interfaces very well with the volunteers in the Sheriff's Department and listens to what we have to say. It doesn't mean that one gets everything their way but there is always good communication and a positive result.

We, the volunteers, do whatever it takes to lessen the burden of the Sheriff's Department and Mr. Knabe appreciates that. There are many things Mr. Knabe helps in supporting...Community Resource Center (CRC), Night Out Against Crime, Adventure Park events, and the planning of a future Senior Center, etc. We want Mr. Knabe to continue as Supervisor of the 4th Supervisorial District because he is a supportive and active individual. Our community needs him.

Thank you.
