Subject: RE: LA County Redistricting Plan - Altadena

To whom it may concern,

We have been residents of Altadena for 34 Years. We volunteer on several Community Groups as a way of giving back to the community. Over the years We've had a chance to see what works and what doesn't, what is good for and what is not for Altadena. What works and what is good is Supervisor Michael Antonovich. He, along with his staff, in particular his Senior Deputy Sussy Nemer, have shown a sincere concern for the community and residents of Altadena.

Their support of the many programs in Altadena including the yearly Free Summer Concert Series along with other Park Programs for both adults and youth have been a true benefit to the community.

I urge you, when considering redistricting, to keep Altadena where it belongs, with the 5th District and Supervisor Michael Antonovich.

Sincerely,

Bill and Lynne Westphal
