Subject: Support for Existing Boundaries

Curt Pederson, Chair
Boundary Review Committee
500 W. Temple Street, Room 383
Los Angeles, CA 90012

Dear Mr. Pederson:

I am a long time Fourth District resident, living in the county area of Whittier (zip 90604). I have been in my current home since 1973. I support keeping my community as a part of the Fourth Supervisorial District.

I have reviewed some of the proposed changes as well as those proposing and supporting the changes. It appears to me these proposers and supporters are attempting to "stack the deck" so the various groups can acquire power in their areas.

The County of Los Angeles should be divided into Districts that will provide for the most effective county government, not Districts that will provide any particular group of residents an opportunity to have one of their own assume District leadership. I personally believe the Board of Supervisors is effective. I also believe that "if it ain't broke, don't fix it." Change for the mere sake of change accomplishes nothing.

I don't want to see my neighborhood nor my community divided into separate districts

Burr Prentice
