Subject: RE: Don't split Altadena!

To whom it may concern on the Board of Supervisors:

My input on the possible redistricting in Altadena: Don't split Altadena!

In my opinion, it is in the best interest of my neighborhood for us to NOT be split into different districts, and instead, to stay in the 5th Supervisorial District of Supervisor Michael Antonovich.

From what I know, Supervisor Antonovich has been attentive and helpful to our District; if there were to be a change, I strongly feel that our neighborhood would be adversely effected. I especially do NOT want to be made a part of Gloria Molina's district.

In addition, I feel that we need to be represented by people that we have elected, and not switched to someone else "mid-stream".

I ask you to consider these issues in the July 6th hearing on redistricting.
