RE: BOUNDARY REVIEW

As Mayor of the City of Burbank, I wish to let the Boundary Review Committee know that I am in support of the City of Burbank remaining in Supervisor Antonovich's 5th District.

I realize that the redistricting process takes place every 10 years and understand that you want fair representation, however the City has developed an important relationship with Supervisor Antonovich that our residents have come to expect.

Thank you for considering leaving the boundaries as they are and keeping the City of Burbank under Supervisor Antonovich and the 5th District.

Sincerely,

Jess A. Talamantes
Mayor
