Re: Boundary Review

Dear Chairperson Pederson:

The purpose of this letter is to inform you and the other members of the Boundary Review Committee of the City of Glendale's desire to remain within the 5th District under the continued representation of Supervisor Michael Antonovich.

The City of Glendale recognizes the need to conduct the redistricting process every 10 years in coordination with the US Census in order to maintain fair representation across the five supervisorial districts. Over the last decade, the City has developed a mutually valuable relationship with Supervisor Antonovich and his capable staff which has resulted in positive effects amongst the residents we serve throughout our community.

In order to continue providing the high quality of service our constituents have come to expect, we ask that the Boundary Review Committee maintain the existing boundaries of the Fifth District in their current existence.

Sincerely,

Laura Friedman
Mayor
