June 29, 2011

Mr. Curt Pedersen, Chair
Boundary Review Committee
500 West Temple Street, Room 383
Los Angeles, California 90012

Dear Mr. Pedersen:

On behalf of the City of La Verne, I am writing to request that as the process of redefining the boundaries of the supervisorial districts proceeds, your committee will give consideration to the City's desire to remain within the 5th Supervisorial District.

In addition to having a long-standing relationship with Supervisor Antonovich, his district staff understands our community's interests and needs and has been highly responsive to our requests. Keeping this relationship intact is critical to La Verne as we explore ways of continuing to provide quality services to our residents while facing a variety of challenges.

On behalf of the La Verne City Council and our constituents, I respectfully request that our community remain in the 5th Supervisorial district of Los Angeles County.

Thank you for your consideration of this request. If you require any additional information regarding the above, please contact our City Manager, Bob Russi, at 909-596-8726.

Sincerely,

Don Kendrick
Mayor

Cc: Supervisor Michael Antonovich
