**Re: REQUEST TO REMAIN WITHIN THE 4<sup>TH</sup> SUPERVISORIAL DISTRICT**

Dear Mr. Pedersen:

The City of Norwalk respectfully requests that the Boundary Review Committee support keeping the City of Norwalk within the Fourth Supervisorial District. We believe it is important to maintain continuity in the relationship with the other cities that compose the Fourth District.

The City of Norwalk is a diverse community located in southeast Los Angeles County. We work closely with the other Fourth District communities on significant regional issues related to transportation, freeways, economic development, community development, flood control, water resources, air quality, among many others. Having the same supervisorial representation is extremely helpful in accomplishing our long term goals. We also serve on many committees and boards with other elected officials of the Fourth District as a result of our common binds.

The Fourth Supervisorial District staff understands the unique needs of our City and the area as a whole, and has always been solidly committed and supportive of this region. We appreciate your consideration of our request to have the City of Norwalk remain within the Fourth Supervisorial District.

Sincerely,
