

CITY OF  
*Palos Verdes Estates*

OFFICE OF  
THE MAYOR

July 13, 2011

Mr. Curt Pedersen  
Chair, Boundary Review Committee  
500 W. Temple Street, Room 383  
Los Angeles, CA 90012

Dear Mr. Pedersen:

I am Mayor of the City of Palos Verdes Estates, and a member of the City Council. I am aware that your Committee did not directly solicit my Council's input, and in turn we have not held public meetings to obtain input from our community. As such, I can only speak for myself, as Mayor.

I strongly suggest that you maintain the current district boundaries, to the extent possible. Our Supervisor Don Knabe and his staff are well-aware of the issues faced by our City and others in the district, and have provided a high level of service to our community.

I note that several of the proposed plans submitted for your consideration would move our City into one of two other districts, with no attempt to explain how or why this would be in the best interests of our City.

I believe there is a great value in continuity, to wit, if it isn't broken, don't fix it. Our City should remain in the Fourth Supervisorial District.

Very truly yours,

John Rea, Mayor

cc: Supervisor Don Knabe  
City Council
