**RE: COMMENTS ON THE LOS ANGELES COUNTY  
SUPERVISORIAL REDISTRICTING PLAN 2011**

Dear Boundary Review Committee:

Thanks for your on-going efforts to develop the Los Angeles County Supervisory Redistricting Plan for 2011. As you are aware, the City of San Marino is currently located within the Fifth District. For many years, we have enjoyed the support of Supervisor Antonovich. In addition, we have developed a strong working relationship with his staff that have been extremely responsive to our inquiries. To maintain this association and promote efficiency with in local government, we respectfully request that we remain within the Fifth District.

As you deliberate, we also request that our community not be divided between two districts. As staffing resources become limited, the additional demands and administrative support of two supervisory districts will be disruptive and inefficient. Thanks in advance for your consideration of our request and we look forward to reviewing the completed plan.

Sincerely,
