RE: Fifth Supervisorial District Boundary Review

Dear Mr. Pedersen:

On behalf of the City of Temple City, I wish to express our support to remain in the Fifth Supervisorial District.

The city has been in the district for many years and continues to be served well by Supervisor Michael Antonovich. He and his staff are very much a part of this community, and continuing our relationship allows the city to provide quality services while facing a variety of challenges.

I hope your committee seriously considers this input as part of the redistricting process, as any changes could have a huge impact on the Temple City community.

Sincerely,

TOM CHAVEZ
Mayor
