Subject: Opposition to Redistricting Altadena

Dear Sir/Madam:

As a resident of the Altadena Palm Street area, I am writing this letter to voice my opposition of redistricting Altadena to Rancho Cucamonga, thus placing us under supervision of Gloria Molina's 1st supervisorial district. It seems that as long as residents are silent, those persons in these roles of responsibility seem to do whatever they want. I want to promise you strong and sustained opposition to this plan. I am happy with 5th Supervisorial District Supervisor Michael Antonovich. I feel that he and his office is more aware of the concerns of our community, namely the "No School On Palm" issue. Many of our community are retired and/or planning to reside in the community for the rest of our lives. We are entirely satisfied with things as they stand, or otherwise would have relocated elsewhere. I do not want to see such a beautiful community change for the worse.

Respectfully,
