Mr. Curt Pedersen, Chair, and  
Members of the Boundary Review Committee  
500 West Temple Street, Room 383  
Los Angeles, CA 90012

Dear Mr. Pedersen and Committee Members:

The Boundary Review Committee is undergoing a careful review of the County Districts and the necessary evaluation of each district by population, while considering communities of interest. Within this difficult work, you will also be deciding whether the City will remain in District 5 or not.

It is my understanding that District 5 would most likely need to be reduced in population. If this is the case, geographically, it seems logical to leave our City within District 5, since we are far enough north not to be logically connected to the more southerly Districts.

As Mayor of the City of La Cañada Flintridge, it is my opinion that the City should remain in the 5<sup>th</sup> District. I believe the City Council of the City of La Cañada Flintridge would oppose a move to assign our City to a different District.

Therefore, I urge you to assign the City of La Cañada Flintridge to remain within the 5<sup>th</sup> District.

Respectfully,

David A. Spence  
Mayor
