Subject: Altadena Redistricting

I am sending my input regarding the options of splitting Altadena to two Supervisorial Districts or moving Altadena to Supervisor Molina's district.

Splitting the Town is extremely counterproductive the the unification of Altadena which I was told was a County priority. I was told that when the new County street signs went up with both the County seal and the name Altadena on them that the reason was to give the community a sense of unity. Clearly splitting us under two politicians will be disasterous and polarizing for us.

If Mike Antonovich runs for re-election and our district votes for someone else then it's time for Mike to leave. But I didn't vote for Gloria Molina. These are elected officials. They serve because the people they serve voted for them. Not because they just "showed up". Mike Antonovich has done a terrific job with Altadena...outstanding.

I'm sure that Gloria has done well for her District, but I want the opportunity to hear her views, position on issues, etc. before she's my Supervisor. We, the people, get to choose.

Thank you for your consideration in this matter. No split, no move.
