Subject: Redistricting Process

Dear Mr. Pedersen: The undersigned was an applicant to the state Redistricting Commission. Now as a resident of the Norwalk city limits (for the last six months) I have seen the elected representatives (Mayor Mike Mendez et al) sponsoring carpools from the Senior Center and the Arts and Sports Complex to influence you and your colleagues in the Boundary Review Committee to keep the 4th Supervisorial District intact because of past relations with Mr. Knabe. We the taxpayers have witnessed the Bell fiasco and the abuse by some other municipalities (Montebello, Vernon, Maywood come to mind). I am in the middle of an investigation of HUD involvement at the Norwalk Christian Tower, 14141 So. Clarkdale Ave. Norwalk, CA. 90650 and I will reserve my influence as a voter until the Inspector General notifies me of their findings. Cordially [REDACTED]
