Subject: 4th District

I speak for my whole family (10members) please keep us in the 4th District. Don Knabe has been such a strong support to our community, someone who is involved with us in the trenches. I also lead a non-profit with over 5,000 members who all live in the 4th district and can tell you that he is supported overwhelmingly in these communities. Thank you for listening.

Glen Patrick
Executive Director
Weingart-Lakewood Family YMCA
