Re: Los Angeles County Boundary Review

Dear Chairperson Pedersen:

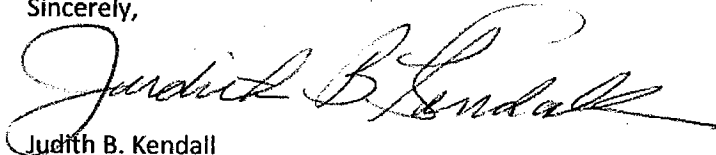

The Glendale Chamber of Commerce has been very satisfied with the representation of Supervisor Michael Antonovich and wishes to have the City of Glendale remain within the 5<sup>th</sup> District under his representation. We are of the opinion that it would not be beneficial to have the City of Glendale split into multiple districts.

Representatives of the Glendale Chamber of Commerce and Supervisor Antonovich and members of his staff have developed a mutually beneficial relationship over a number of years, which has resulted in providing needed resources and assistance to our member businesses and business at large in Glendale.

While we understand the importance of the boundary review process and maintaining fair representation across the districts, we are requesting that the Boundary Review Committee maintain the existing boundaries of the Fifth District as they exist today in order to provide continuity of the much needed service and support for our businesses in Glendale.

Thank you in advance for your consideration of this request.

Sincerely,

Judith B. Kendall  
Executive Vice President/CEO
