**Subject:** We need to keep Don Knabe serving our area

Please accept this email as our sincere request to keep LA County Supervisor Don Knabe serving our area.  
(Lakewood)

He KNOWS us.

He has served us well for the past 20 years

He CARES

He is a rare politician who keeps the district FIRST!

WE know him and together we have been able to achieve many wonderful goals and accomplishments that I don't believe would have been possible otherwise and without our long standing relationship built on trust and respect. Please don't take that away from us.

We NEED DON KNABE to continue to represent us, and represent us well.

This part of the County would not be as successful if it were not for Supervisor Don Knabe's support and efforts.

If you have any questions please let us know.

Thank you for your time and consideration.
