Dear Mr. Pedersen:

I am a resident of the City of Cerritos and support Supervisor Don Knabe to continue to represent the citizens in Cerritos as part of the 4th district. I am a retired Elementary School Teacher and appreciate Don Knabe who supports the education programs provided by the ABC Unified School District in Cerritos. Don Knabe took time to visit my classroom at Leal Elementary School and read to my third grade students. My students had the opportunity to ask Don Knabe questions about being a Supervisor for the 4th District. They appreciate his support for many educational programs. Many students and their families in Cerritos have attended the "Family Festival" at the Cerritos Performing Arts Center which Don Knabe - LA County contributes funds for this excellent arts and cultural event. Students from Leal Elementary School played the ukulele, danced the hula, or performed a Chinese or Indian cultural dance. Other students played the violin or piano. The students, parents, and I support Supervisor Don Knabe and would like him to continue to serve the citizens of Cerritos in the 4th district.

Sincerely,

Gylene Ornellas
Retired Elementary Teacher
