Subject: RE: 4th District

Dear Sirs:

As residents of the Fourth District we urge you to keep Lakewood in the 4th.
We have enjoyed living under the leadership of Supervisor Knabe and would not want that to change.

We understand you need to add some population to the 4th and offer the unincorporated strip along the 110 known as West Carson as a logical extension.

Thank you for your consideration of our request.

Joy Janes and Don Rhodes
