Representation for Rowland Heights is currently split between two Supervisorial Districts 1 & 4, with most of our residents living within the boundaries of District 4. This split is very confusing to most people, and they are not sure who or where to call when there is a problem with a County service. I have reviewed the various redistricting plans that have been submitted to your committee that appear on your web site. Several of them include all of Rowland Heights within a newly formed District 4, and I urge you to recommend one of them to the Board of Supervisors. It just doesn't make sense for our community to be split between two supervisors. Surely supervisors are very busy people, and it is not very realistic to expect two of them to spend the time necessary to become familiar with our problems and issues.

Respectfully,
