I am sending my input regarding the options of splitting Altadena to two Supervisorial Districts or moving Altadena to Supervisor Molina's district.

The efforts and money spent to unify Altadena would be money wasted by splitting or changing the supervisor district. Money that is in very short supply right now. We share a school district with our neighboring cities of Sierra Madre and Pasadena, any split here would cause even more problems with a priorities and possible future funding of the schools.

Mike Antonovich has done a great job for Altadena and I do not want to see that support go away.

Keep it simple, do not split and do not change.

Thank you for your time in this matter.
