Subject: Redistricting Los Angeles County 2011

Dear Redistricting Commission Members,

Supervisor Michael D. Antonovich has represented the citizens of Altadena in a positive and proactive manner since around 1980. Over these many years, Altadenans have built a quality relationship with this Supervisor. We have come to appreciate and value our elected official, Supervisor Antonovich, who understands Altadena's uniqueness in needs and desires for a whole-bodied community living environment. It is very important for us to continue having this effective Supervisor as our representative on the Los Angeles County Board of Supervisors.

Please do not "re-district" Altadena, so that we lose Supervisor Antonovich as OUR Supervisor.

Thank you for your consideration of an issue that is urgent to us and our community.

Melody and Dale Comfort,
Altadena, CA Residents
